

Summer School 2017

- There is going to be a short session (2-3 weeks) of Summer School this year.
- It will begin Monday, June 19th and go for 10 days through Thursday, July 6th.
- Times will be from 8:00am – 11:30am each day.
- Cost is FREE!
- Free lunch will be available after each day of summer school in the cafeteria, beginning June 26th.
- To be eligible for summer school students must have at least 50% or higher in their class by school year's end. Students whose percentage is below 50% will not be eligible to make-up that class during summer school.
- Because extra time is being given to make-up classes you will be required to score 70% to pass.
- Grades will be Pass/No Pass for those taking summer classes.
- Classes which are either lab based or participation based (i.e., science, PE, weights, etc.) will NOT be eligible to be made up.
- If you don't pass classes you will have to re-take 18 weeks of classes you just went through. Would this be a wise choice?
- Some of you may need these classes to remain eligible for athletics. Check with a teacher or the Athletic Director to be sure.
- You only have to take those classes you are failing, not classes you have passed.
- Summer school is especially important for those who may be failing math, English, health, and social studies. Some other classes may also be available.
- Students must work at least a minimum of 1 hour daily in summer school or until course(s) are passed.
- Summer school will still allow you to have some summer jobs.
- Use this to stay on track to graduate on time.
- Be smart – use this opportunity.
- If you have any questions ask a teacher, Mrs. Jensen, Mr. Reeser or Mr. Plotts.
